## Declaration of consent

I am aware that the association " Zib - Zusammen ist besser - Verein für Völkerverständigung Telgte e.V." would like to make it easier for immigrants and refugees to settle in Telgte.

I agree that my personal data and, if applicable, the personal data of my minor children (e.g. name, date of birth, country of origin, date of arrival in Telgte, address, school education, vocational training, telephone number, etc.) are passed on to the association "Zib" by the city of Telgte.

I agree that members of the association "Zib" may visit me and offer me help in settling in Telgte. Furthermore, I agree that the association "Zib" may use my data for association purposes and exchange them with the city of Telgte and with the Kontakt-Punkt (social office of the Telgte parishes).

I am aware that my consent to data processing is voluntary and can be revoked by me at any time with effect for the future.
